

Dear Sir/Madam,

Are you ready to unlock the power of your teaching and the true potential of your students?

ICAS is the most comprehensive educational assessment program available.

By using ICAS as a diagnostic tool you can obtain deep insights into the skills and capabilities of each student, class and cohort at your school. You can also track student progress year-on-year, measure school performance and easily triangulate data for a more complete picture of capability and development.

YOUR PARTICIPATION PACK

The enclosed participation pack contains everything you need to join us in 2019, including a step-by-step guide to participating, key dates and prices, a handy A3 display poster for your school, and some background information on ICAS to help you engage with your school community on ICAS.
